# COMECER NETHERLANDS

A MEDICAL DEVICE COMPANY

## FROM PLANNING TO INJECTION

Our mission is to provide user-friendly solutions that measure, detect and inject radioactive doses in order to guarantee safety and full traceability for patients, users and regulatory.

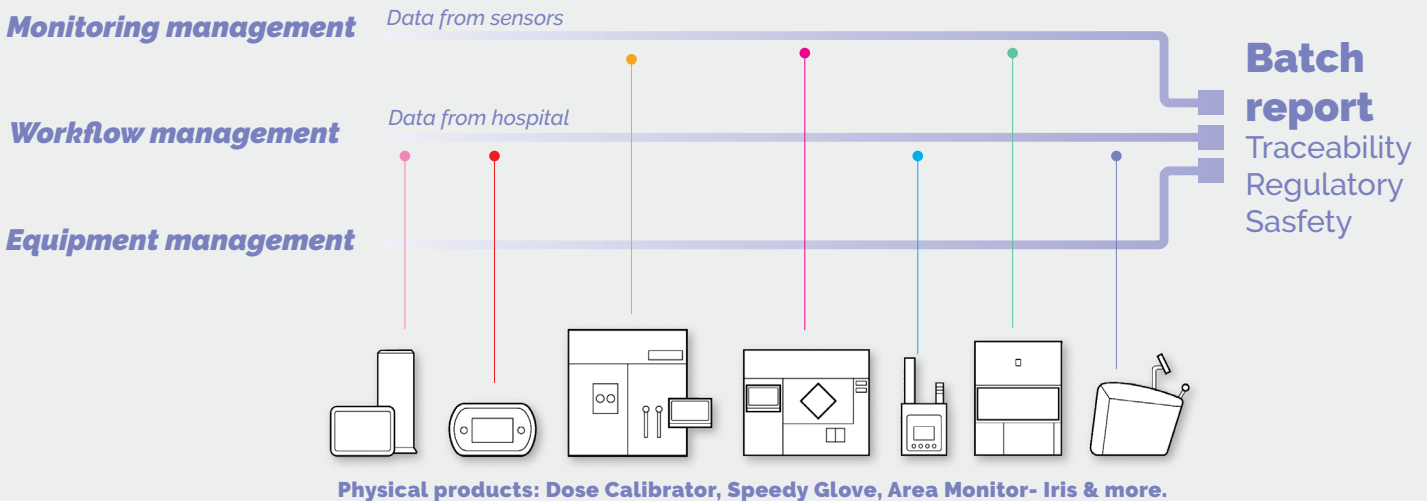

## WHO WE ARE?

**Comecer Netherlands** is a medical device company that designs, develops and manufactures software and product solutions for Nuclear Medicine departments and Radiopharmaceutical facilities.

## SMARTLAB

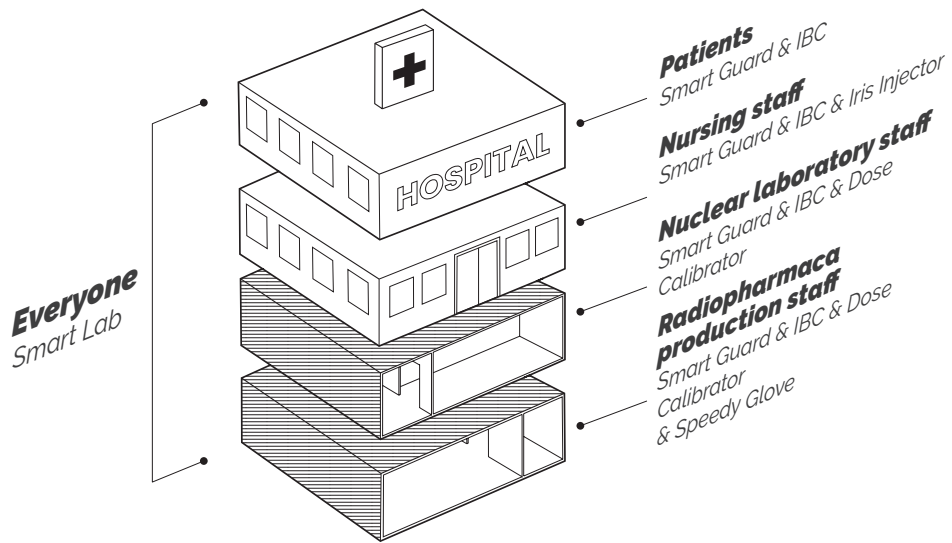

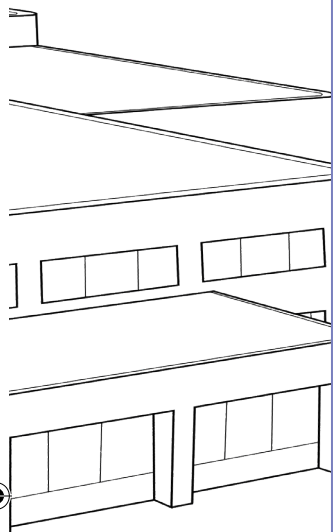

Smart Lab is our new solution that improves workflow, monitoring and equipment management.

## WHAT DO WE DO?

**Comcer Netherlands** produces solutions for all floor of hospitals or radiopharmaceuticals plants: from the production department to the patient.

## NUCLEAR MEDICINE AND RADIOPHARMA DEVICE

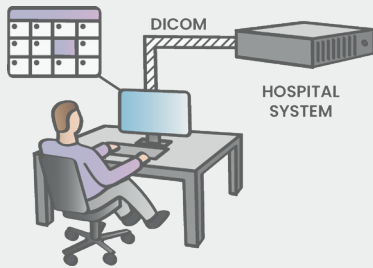

SpeedyGlove, SmartGuard and Environmental Probe, Dose Calibrators & IRIS Auto injector

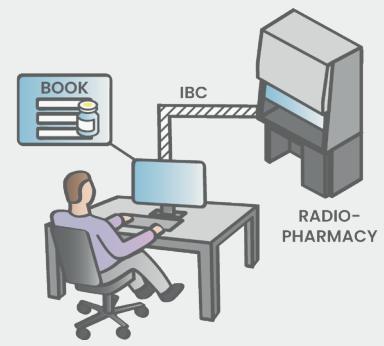

A day in the **IBC user flow**.

User login to IBC

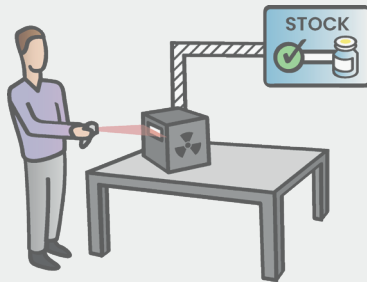

Import and check scheduled patients
