## How we work to nourish the world

We are a family company providing food, ingredients, agricultural solutions and industrial products to nourish the world in a safe, responsible and sustainable way. We connect farmers with markets, customers with ingredients, and families with daily essentials.

## How we make a difference

**Making connections**

Sitting at the heart of the supply chain, we bring people together to make the world's food and agriculture system more sustainable, resilient and accessible.

**Bringing perspective**

With over 159 years of experience, we offer trusted expertise and a long-term view, so we can do the right thing — today and for generations to come.
